

## Warranty Statement for Energy Recovery Ventilators

### Unit Warranty

Greenheck warrants the equipment to be free from defects in material and workmanship for a period of 12 months from the initial startup or 18 months from the shipment date, whichever is less (standard). An extended warranty of 24 months from the shipment date is also available (based on selection).

### Energy Wheel Warranty

The energy recovery wheel is warranted to be free from defects in material and workmanship for a period of 5 years from the shipment date.

### Enthalpy Core Warranty

The enthalpy core is warranted to be free from defects in material and workmanship for a period of 5 years from the shipment date.

Any component which proves defective during the warranty period will be repaired or replaced, at Greenheck's sole option when returned to our factory, transportation prepaid. All warranties do not include labor costs associated with troubleshooting, removal, or installation. Greenheck will not be liable for any consequential, punitive, or incidental damages resulting from use, repair, or operation of any Greenheck product. These warranties are exclusive and are in lieu of all other warranties, whether written, oral, or implied, including the warranty of merchantability and the warranty of fitness for a particular purpose. No person (including any agent or salesperson) has authority to expand Seller's obligation beyond the terms of this warranty, or to state that the performance of the product is other than that published by Seller.

*As a result of our commitment to continuous improvement, Greenheck reserves the right to change specifications without notice.*
