

Bulletin: 20-18

TO: All Greenheck Representatives
FROM: Jay Haferbecker, CFS Development Manager
DATE: April 19, 2018
SUBJECT: eCAPS® Announcement

eCAPS® Includes Dedicated Outdoor Air Systems (DOAS)

Greenheck's eCAPS® Engineer Application Suite now includes dedicated outdoor air products. We made it fast and easy for your engineers to spec and schedule DOAS products. Check it out at ecaps.greenheck.com.

eCAPS consists of:

- Fans
- Gravity Ventilators
- Fume Exhaust
- Louvers
- DOAS
- Damper Selection Guide

We have several promotional pieces to help you promote eCAPS to your engineering community. These include:

- Two-page flyer. To read [click here](#).
- A [new ad](#) that will run in various national trade magazines.
- Interactive Spotlight featured on Engineered Systems' Website. To view [click here](#).
- Short how-to videos
 - Make the best DOAS selections. To view [click here](#).
 - Make the best fan selections. To view [click here](#).
 - Make the best louver selections. To view [click here](#).

Promote eCAPS to get spec'd and scheduled today!
