

Bulletin: 58-18 Int.

TO: All Greenheck Representatives
FROM: Jay Haferbecker, CAPS Product Manager
DATE: November 29, 2018
SUBJECT: CAPS® 4.28 Announcement - International

CAPS® 4.28 will be released Monday, December 3 at 8:00 p.m. CST

The following information highlights the new products and enhancements in this release. The program will automatically update when you open CAPS® after 8:00 p.m. on December 3.

Program Changes

- New “Post Order Action” selection to control your ordered marks
- Ordered marks will be moved to a sub-category labeled with the sales order number (default)
- Ordered marks can also be disabled to prevent accidental ordering (optional)
 - Added ability to move marks to sub-categories (via new “Move” option)
 - New CAD/BIM icon – all types of drawings can be selected in one place

New and Enhanced Products

United States Manufactured

- See the CAPS 4.28 announcement dated November 27.

India/GIN Manufactured

Model RA

- Shipped Assembled option is no longer available on RA sizes 560 and above
