

Sales & Marketing Bulletin

Bulletin: 14-20

TO: All Greenheck Representatives
FROM: Tony Rossi
Vice President, Marketing
DATE: March 27, 2020
SUBJECT: Marketing assistance to help you sell Greenheck
during the COVID-19 Pandemic

In our response to many of your customers' requests for quick shipments on urgent healthcare and other projects we have prepared a flyer for you to send to your engineers, contractors, healthcare and research laboratory facility operators. To access the flyer, [click here](#).

Greenheck remains open and continues to operate its manufacturing facilities across the United States as an "essential business". To date, Greenheck is able to supply its entire product lines from facilities in Kentucky, Oklahoma, North Carolina, Tennessee, and Wisconsin.

Please promptly email the flyer on your behalf to your engineers, contractors, healthcare and research laboratory facility operators.

As always please contact us if we can be of assistance and thank you for your continued sales effort!
