SUBJECT: New Grille for Model SP Fans Coming in CAPS® 4.34

Greenheck is excited to announce a new and improved grille for model SP fans. This change will be implemented with the CAPS® 4.34 release in December. The new standard grille offers improved aesthetics and maintains our industry leading air and sound performance. This applies to models SP-A390 and under, SP-B fans and SP-L fans.

More information regarding the specifics of the transition period and grille selection will be communicated in a Sales and Marketing Bulletin mid-November.

Please contact the ceiling fan team with questions via email CeilingExhaustFans@greenheck.com or phone 1-800-984-8713, option 1.
