President, Sales and Marketing
DATE: October 26, 2021
SUBJECT: **Continued Commodity & Freight Inflation -
Price Adjustment Effective Dec. 6, 2021**

Unfortunately, material and freight increases continue to be forced upon industry. Our teams are doing all they can to minimize the impact and assure availability of supply to fulfil your orders. Also, please know material availability is very tight and our supply chain team is working diligently to assure our supply.

Yet, we are forced to announce additional price increases effective 8 pm CST, December 6, 2021.

This price increase will be implemented in a scheduled CAPS[®] release, via an upward multiplier adjustment. All prior orders not released and new orders entered after December 6 will be subject to this increase.

Product Category (Business Unit)	Increase Amount (via Multiplier)
Architectural Products (Louvers)	4.9%
Dampers	3.25%
Axial/Inline/HVLS Fans	3.75% axial & inline, 7.9% HVLS
Ceiling Fans	3.25%
Power Roof Ventilators (PRV)	3.25% PRV, Curbs 4.9%
Centrifugal, Vane Axial, Industrial (CVI)	3.25%

We appreciate your understanding with the price adjustments and encourage you to review all existing open quotations and unreleased orders.

If you anticipate orders being released or placed after the December 6 effective date, please contact Greenheck for necessary re-pricing.

As always, thank you for your efforts and good selling!

Tim
