

Bulletin: 1-23

TO: All Greenheck Representatives
FROM: Steve Carrico, KVS Product Manager
DATE: January 9, 2023
SUBJECT: KVS Controls Lead Time Updates

I'm pleased to announce that lead times for KVS controls will be reduced effective Monday, January 9th.

We have been monitoring our supply chain and are now able to offer the following:

- KFCC – 4-weeks standard – QBs available (5-day)
- GKC-CV (PCB) – 4-weeks standard** – QBs available (5-day)
- GKC-DCV (PCB) – 4-weeks standard** – QBs available (5-day)
- Vari-Flow (Carel PLC) – 4-weeks standard** – QBs available (5-day)

****8-week lead time on orders that contain a VFD in the Kitchen Utility Cabinet**

Feel free to reach out to the team with any questions at KVS@greenheck.com or (833) 219-5128.
