

TO: Greenheck Business Partners
 FROM: Sue Wirkus
 Manager, Customer Care Team
 DATE: May 1, 2023
 SUBJECT: Tracking Enhancements

We have made some tracking enhancements to provide more efficient and up-to-date tracking and are replacing our current shipping history with a visual dashboard. We have added some additional data regarding the tracking status that we feel will be more valuable to you and the customer. Below is a snapshot of this new layout.

Depending on your screen resolution you may notice that some of the information is cut off. We are working on enhancing this.

Please note you can click on the (3) dots on the dashboard wherever you see them for additional information.

You can download it in a PDF or open it in a browser to get a larger view. Please note downloading PDF information will not update in PDF view and maps are not interactive.
