

Bulletin: 23-23

TO: All Greenheck Representatives  
FROM: Andy Jackson, Product Manager, Louvers  
DATE: June 5, 2023  
SUBJECT: Miami-Dade Louvered Penthouses—New NOAs

Miami-Dade County Notice of Acceptance (NOA) for louvered penthouse models ESD-635PD and EHH-601PD expires on June 19, 2023. We have been issued new NOA numbers and anticipate formal approval of these new NOA numbers prior to the expiration of the current.

<u>Model</u>	<u>Current (Expiring) NOA</u>	<u>New NOA</u>
<b>ESD-635PD</b>	18-0314.01	23-0425.01
<b>EHH-601PD</b>	18-0314.02	23-0425.02

The latest iterations of the applicable building codes required changes in how this type of product is structurally analyzed. The results of said latest structural analysis led to non-cosmetic product design changes as well as changes to how optional roof curbs are anchored to the building structure and how the louvered penthouses are anchored to roof curbs.

Any orders currently in our backlog with a scheduled ship date after June 18, 2023, will be labeled with the respective new Miami-Dade NOA number. We encourage you and your customers to review the latest Miami-Dade NOA documents which will detail the new installation methods of both the optional roof curb as well as the louvered penthouse(s) to the curb. All relative product submittal details will be updated and available on [www.greenheck.com](http://www.greenheck.com) by that time.

Please contact Louver customer support at 1-800-373-4866 or e-mail [louvers@greenheck.com](mailto:louvers@greenheck.com) with questions.
