SUBJECT: Price Adjustment Effective April 3, 2023

Recently there has been a significant price increase by both Belimo and Honeywell for the range of UL-listed actuators.

As a result, we are forced to do an upward adjustment in the list prices of our life safety dampers with UL actuators thereby passing the partial cost impact to you.

Effective with the April 3rd, 2023 CAPS[®] release, you will experience an increase in the list price of life safety dampers with UL-listed actuators.

We appreciate your understanding in this regard.

As always, thanks for your efforts, good luck and good selling!

Regards,
Mukul
