

BULLETIN

MAY 28, 2024 | BULLETIN 20-24

TO: All Greenheck Representatives
FROM: Tyler Erdman
Application Engineering Specialist, Axial Product Segment
SUBJECT: Motor Starter Warranty Update

We remain committed to providing you with the products and product documentation you need to succeed in your markets. Effective April 1, 2024, Greenheck implemented a new warranty statement on Motor Starters (MS1P, MSAC, and MSEM). All orders submitted after April 1, 2024, will need to follow this new warranty.

The Motor Starter warranty can be viewed at the following link on the Greenheck website:
