SUBJECT: Relocation of Greensboro Distribution Center

Please be advised that the Greensboro Distribution Center is being relocated to Greenheck's Shelby, North Carolina facility. Shipments out of the Greensboro distribution center will cease as of June 28th.

Future shipments from our Shelby Distribution Center will begin in August 2024. In the interim, your shipments will be deferred to our Wisconsin Distribution Center, which may result in one or two days of additional transit time.

We appreciate your understanding and cooperation as we process this change. Please feel free to reach out to either Lisa (Lisa.dahlke@greenheck.com) or Tori (Tori.wood@greenheck.com) with any questions.
