

## **Get your fans FAST** • Save Money • Beat the competition

- The Fast Pass program offers a three week guaranteed lead time for high volume options and motors on CUBE/CUE and GB/G
- Save money—Fast Pass uses a standard multiplier—no premiums
- Fast Pass will allow you to serve your customers better and position you above the competition
- Fast Pass options are easy to identify in CAPS and are available now

If you have questions, contact PRVfans@greenheck.com or call 1-800-984-8713 PRESS 5

All qualifying Fast Pass fans can be easily identified on the job summary page. Any non-Fast Pass items will be subject to the standard delivery time, which can vary based on order volume. If you have both Fast Pass and non-Fast Pass items on an order, the order must be split to ensure the Fast Pass items are shipped on the three week lead time.
