

## Replace any manufacturer with Greenheck!

### 1. Find the Nameplate

Take a photo of the nameplate. Be sure to capture the manufacturer, model, and size information.

### 2. Contact your Greenheck Rep

Using our new Replace-A-Fan tool, your rep will have a Greenheck replacement recommendation in moments.

### 3. Complete your Purchase

Purchase your new fan directly from your Greenheck Mechanical Representative. It's that easy!

It's never been faster or easier to replace a old fan with a high-performance Greenheck model that's engineered to meet the demands of your replacement project. Contact your Greenheck rep today!
