

Greenheck Warranty Statement

Greenheck warrants its equipment to be free from defects in material and workmanship for a period of one year from the date of shipment. Many products carry a longer time frame warranty period based on the type of product and components contained within each unit. For more specific information, all Greenheck product warranties are located on www.greenheck.com on the Warranty tab under each specific product page.

Any units or parts which prove defective during the warranty period will be replaced at our option when returned to the factory, transportation prepaid. Under certain conditions, Greenheck may request the return of a complete unit or specific components for inspection.

Greenheck will not be responsible for any installation or removal costs. Replacement equipment will be shipped ground freight at Greenheck’s expense. Air freight costs are not included in the warranty.

Motors (Except for Vari-Green® motors) – Motors furnished are warranted by the motor manufacturer for a period of one year after shipment from Greenheck. Should motors provided by Greenheck prove defective during this period, the following warranty procedure will be followed.
